DECLARATION OF JAMES LEE

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

I, James Lee, declare as follows:

1. I am presently a Billing Clerk with the firm of SNELL & WILMER, a law firm, having an office at 1920 Main Street, Suite 1200, Irvine, CA 92614-7230.

2. Our office received a Notice of Missing Parts indicating that Figure 4 of the drawings was not received in the above-identified case.

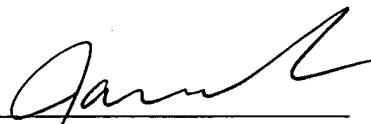

3. When we file a new patent application, the pages of the specification and claims are counted and each sheet of drawings is marked individually. A return postcard is filled out with the actual number of pages of the specification and drawings submitted to the U.S. Patent Office to ensure that there is no problem with lost pages in the U.S. Patent Office. The attached

true copy of the date-receipt card indicates that twenty (20) sheets of drawings were received in the U.S. Patent Office on April 14, 2004. There is no indication on the date-receipt card that only nineteen (19) sheets of drawings were received in the U.S. Patent Office.

5. Accordingly, applicants contend that Figure 4 was received in the U.S. Patent Office on the above date and petitions that the original filing date of April 14, 2004, be retained.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Executed on , at Irvine, California, on July 21, 2004.

James Lee
